

Ain't It Heavy

Melissa Etheridge

Sometimes I know that it's never enough
Survival is fine but satisfaction is rough
I try with an angel tonight
Spread these wings and I'm on for the ride
Cruise these streets where my innocence hides
There's some things you can't deny
What is it about this human condition
I need some kind of promise
Some kind of submission tonight

Heavy
Ain't it heavy
Ain't the night heavy
Heavy
Ain't it heavy
Ain't the night heavy

I'm feelin' kinda loose, I'm feelin' kinda mean
I've been feeling kinda wild since I turned seventeen
Or, is it madness
Tell me where can a woman find any kind of peace
When does the fury and the agony cease
How long have I got to say please
There's a hole in my jeans I only wanted to fade
I've been ripping out seams
Somebody else made tonight

Heavy
Ain't it heavy
Ain't the night heavy
Heavy
Ain't it heavy
Ain't the night heavy

So heavy
This woman needs
This woman needs some
please,
please, please, is never enough
hm, you feel so, feel so
feels, so, so
tonight, tonight
yeah

feels so heavy
heavy, heavy
oh so heavy
this night is so
night is so hard
it's so heavy
the night heavy
come on, come on
come on
so heavy
