

# Has Anyone Seen My Man?

Memphis Minnie

I got a man sweet as he can be  
Come to see me at night  
And don't leave until three

So, has anyone here  
Seen my man today?  
He left me this morning, ooh ooh  
Lord I think he's gone astray

I used to fix his breakfast  
Carry it to the bed  
He's gone and left me  
I soon to be dead

So, has anyone here  
Seen my man today?  
He left me this morning, ooh ooh  
Lord I think he's gone astray

Well, the one I got  
Is so hard to get along with  
Everything he do  
He try to keep it his

So, has any one here  
Seen my man today?  
He left me this morning, ooh ooh  
Lord I think he's gone astray  
Oh, take it away now

If I write him a letter  
I don't know where's he's at  
Who's love-a got me really tied like that

So, has any one here  
Seen my man today?  
He left me this morning, ooh ooh  
Lord I think he's gone astray

I been looking for him all day  
Looking for him all night  
Crazy 'bout my love  
And don't want it out of my sight

So, has any one here  
Seen my man today?  
He left me this morning, ooh ooh  
Lord I think he's gone astray
