

# Bloodrush

## Mercenary

What a rush...

When we're on stage  
You can't do nothing but  
Relate to something  
We feed the feeling  
Of the natural highs  
And the God forbode the blood...

Would you separate the truths  
Through lies  
In the constellation grey  
Inner eye

Bloodrush  
Running through your veins  
Bloodlust  
Do you know our names?

Forgotten soldiers  
We're soldiers of fortune  
Do not deceive us  
We'll never retreat...

The blood that flows through you  
Is thinner than the wine  
We used to dine  
With sinners like ourselves  
And the God forbode the blood...

Would you separate the truths  
Through lies  
In the constellation grey  
Inner eye  
Forever you will bleed  
Everblack  
And life would surely be  
Never bright...

Bloodrush  
Running through your veins  
Bloodlust  
Do you know our names?

Forgotten soldiers  
We're soldiers of fortune  
Do not deceive us  
We'll never retreat...

Explore... the bloodrush  
The bloodred highs  
The bleeding eye  
Explore... the bloodrush  
The bloodred highs  
The bleeding eye  
And the God forbode the blood...

Would you separate the truths  
Through lies  
In the constellation grey  
Inner eye

Bloodrush  
Running through your veins  
Bloodlust  
Do you know our names?

Forgotten soldiers  
We're soldiers of fortune  
Do not deceive us  
We'll never retreat...

As we sat around the table  
Drinking the blood from our glasses  
What a rush...  
Than Jesus said to me  
I can cure you my friend...  
If everything else fails  
I'll show you the way  
Out of the darkness  
And into the light

Show me the way  
Bleeding the trail  
Don't be afraid  
Lead me again
