

Insane

Mercyful Fate

I see little demons,
Are they in my head?
I see little demons,
Fightin in my bed

Why did I go insane?
Oh doctor kill the pain

Screams in the night,
I hear another one died
Was it number 9,
Or was it me who cried

Why did I go insane?
Oh doctor kill the pain

When I look in the mirror,
My mind goes blank
My brain is burning up,
Insanity...
When I look in the mirror, M
y mind is,
Dead
Is it me on the other side?

I saw the look on your face,
The night they took me away

Not a tear, not a trace,
Just stood there waving goodbye

Dead roses in my room,
A love that died too soon

When I look in the mirror,
My mind goes blank
My brain is burning up,
Insanity...
When I look in the mirror, M
y mind is,
Dead

Sanity turned Insane,
I hang myself in a picture frame
I'm so tired,
Let me sleep
I'm counting demons...

Why did I go insane?
Oh doctor kill the pain

Oh doctor kill the pain,
Oh doctor kill the pain
