

## You Asked for It

Mercyful Fate

Oh, I'll tell you everything I do  
We're going to talk at the moon  
You've said enough, too easily gave up  
I'll smash you, you'll look like a stranger  
You're young and scared  
No one hears, no one cares  
Shout out with your gun  
It's time to surrender  
You still will be burned  
You're sick and tender  
You asked for it, every time in prayer  
I'll smash you, you'll look just like a stranger  
Oh what a love to be young and scared  
No one hears, no one gives  
A damn  
Oh you asked for it, you won't get no mercy [X3]  
Oh little girl your pain is now  
Your eyes will "your mouth" (I was not able to figure out this whole line)  
Oh little girl you're about to be burned  
Oh little girl come and meet the devil  
Oh I'll tell you everything I do  
We're going to talk at the moon  
You asked for it, every time in prayer  
I'll smash you, you'll look just like a stranger  
No one hears  
No one gives  
A damn  
Oh you asked for it, you won't get no mercy [X3]  
Oh no
