

Coming Up To Breathe

MercyMe

I'm in way too deep
I've forgotten how to swim
I can't tell which way is up or down
Save me before I drown down here
I just need some air

I'm coming up to breathe
Oh, I'm coming up to breathe
I've held my breath for all my life
But I am breaking free tonight
And I'm coming up to breathe

I just need to break these chains
I just need to leave this place
Before now this was all I knew
But with just one glimpse of You I see
You're the air I need

I've done everything I can
To get myself up on dry land
Lord, here I am again
Reaching for Your hand
