

# You Found Me

MercyMe

When I was a child, I spoke just like a child  
Playing childish games, just like hide-and-seek  
Doing everything tryna to hide my shame  
That's when I heard Your voice calling out to me

1, 2, 3, no need for hiding  
4, 5, 6, it's already forgotten  
7, 8, 9, 10, if you're ready or not  
Here I come

You...  
You found me  
You...  
You found me  
Never, never, never, gonna be the same  
Ever, ever, ever, since that day  
You...  
You found me  
(You found me, You found me)  
You...  
You found me  
(You found me, You found me)

Every now and then, I will look in the mirror  
And I see that kid, looking back at me  
Suddenly I'm thinking back to the moment  
When I heard Your voice changing everything

Come out, come out, wherever you are  
Your greatest wound, is barely a scar  
You're free indeed, no matter what you do  
Now that I found You!..

You...  
You found me  
You...  
You found me  
Never, never, never, gonna be the same  
Ever, ever, ever, since that day  
You...  
You found me  
(You found me, You found me)  
You...  
You found me  
(You found me, You found me)

I am yours, and You are mine  
You will never have to hide  
Before the heavens, before the earth  
I knew exactly where you were  
And I am yours, and You are mine!  
Only You are Lord!  
You are mine!

You...  
You found me  
You...

You found me  
Never, never, never, gonna be the same  
Ever, ever, ever, since that day  
You...  
You found me  
(You found me, You found me)  
You...  
You found me  
(You found me, You found me)  
  
You found me, You found me  
You found me, You found me...
