

# If You Want To Be My Woman

**Merle Haggard**

You like ridin' in the country in my Cadillac  
The way I try to kiss you keep you on and pushin' me back  
You said you like a party you own the money that I earned  
You refused to give me something equal in return.

Don't look at me  
Like maybe you don't understand  
If you wanna be my woman then you know  
You've got to let me be your man.

Well, you said you're from the country but I know it ain't true  
You try to play it smart and look so innocent too  
You say I need a ring to get the loving that I need  
Can't you give me just a simple

Don't look at me  
Like maybe you don't understand  
If you wanna be my woman then you know  
You've got to let me be your man...
