

## Love And Honor

Merle Haggard

Love and honor a promise to obey  
Sacred vows that we both made yesterday  
But when someone tempted you you ease to cross the line  
And I'll bet love and honor never cross your mind.

You're the woman that once gave me her hand  
And I'm the fool who's tryin' hard to understand  
Why when someone tempted you you were so inclined  
And I'll bet love and honor never cross your mind.

Love and honor never cross your mind  
And love and honor is something hard to find  
When someone tempted you you ease to cross the line  
And I'll bet love and honor never cross your mind.

Love and honor never cross your mind  
And love and honor is something hard to find  
When someone tempted you you ease to cross the line  
And I'll bet love and honor never cross your mind...
