Well, I'm gonna get me a seeing eye dog to help me find my way I'm so much in love with you I can't even see the light of day My mind is cloudy like a winter storm before the rain come pour in' down

I feel so good and I gotta get my feet on the ground on the ground.

Well. I'm walkin' real tall with my head held high in a cloud I feel so good sometime I wanna holler out loud

Well I'm gonna take me a comin' down pill every time you come a round

I feel so good and I gotta get my feet on the ground on the ground.
