

That's The Way Love Goes

Merle Haggard

I've been throwing horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four-leafed clover

Yet you ran with me,
Chasing my rainbows
And honey I love you, too
that's the way love goes.

That's the way love goes, babe
That's the music God made
For all the world to sing
Its never old; it grows
Losing makes me sorry
well now, "Honey, don't worry."
dont u kno i love u too
that's the way love goes.

thats the way love goes babe
thats the music god made
for all the world to sing
it's never old it grows

losin makes me sorry
you say, honey i dont worry
i love you too
thats the way love goes
