

Turn To Me

Merle Haggard

When the whole world turns against you
And life won't let you be
When you need someone to turn to
Turn to me.

When questions go unanswered
And you wonder what will be
When you need someone to turn to
Turn to me.

I stand on every corner
I'm just around the bend
I've always been here for you
I've always been your friend.

When walls close in around you
I'm the one who sets you free
When you need someone to turn to
Turn to me.

I stand on every corner
I'm just around the bend
I've always been here for you
I've always been your friend.

When walls close in around you
I'm the one who sets you free
When you need someone to turn to
Turn to me, turn to me...
