

Prophecy

Metalium

So Long, Ever Forward
Come To Take My Rest
Falling Senses Leaving
Into Realms Of The Past

The Light Is Gone,
Where Do I Belong

Dream State, Pulling Backwards
Visions Flash A Life I've Known
Once More The Flask Before Me
The Final Moment My Destiny

It Falls Like Rain
To Live It Again

Visions Grow, Past Future Fading In

(Goddess Of The Fire)
Combining Worlds Apart

As Foretold, Metalians Will Remain
Feel These Pulsing Hearts
Sets Me Free, They Will See...

Image, Two Tasks Before Me
Future's Getting Near, One Way To Go
Power Of The Gods Adorns Me
Another Insight, My Reality

It Carries On
We Will Be Strong

Visions Grow, Past Future Fading In
(Goddess Of The Fire)
Combining Worlds Apart
As Foretold, Metalians Will Remain
Feel These Pulsing Hearts

Sets Me Free, They Will See...

(Goddess Of The Water And Goddess Of Fire And Gods)

Latin Language Part

So, Far Way to Go
Time Will Show...
