

1. Yeah

I'm gonna make you, shake you, take you
I'm gonna be the one who breaks you
Put the screws into you , yeah my way
Yeah, come on, come on, come and make my day
Make my day

2. Yeah

Got some hell to pay you , I steal your thunder
The joy of violent movement, pulls you under
Ooh bite the bullet, well hard
Yea, but I bite harder, so go too far
Too far

R: Friction, fusion, retribution

I can't hear you... talk to me
I can't hear you... so talk to me
I can't hear you are you talkin' to me
I can't hear you are you talkin' to me
I can't hear you time to meet my lord
I can't hear you talk to 2 plus 4

3. I'm gonna make you, shake you, take you
