1. Outta my way, outta my day.
Outta your mind and into mine
Into no one, into not one.
Into your step, but outta time.
Head strong, what's wrong?
I've already heard this song
before you arrived,
but now it's time to kiss your ass goodbye.

R: Draggin' me
down, why you around?
So useless.
It ain't my fall, it ain't my call.
It ain't my bitch-a. Yeah.
It ain't my bitch. Oh.

2. Down on the sun, down and no fun.
Down and out, where the hell ya been?
Damn it all down, damn it unbound.
Damn it all down to hell again.
Stand tall, can't fall.
Never even bend at all before you arrived,
but now it's time to kiss your ass goodbye.

R: Draggin' me...
...It ain't my bitch-a.

3. Outta my way, outta my day.
Outta your mind and into mine
Into no one, into not one.
Into your step, but outta time.
Head strong, what's wrong?
I've already heard this song
before you arrived,
and now it's time to kiss your ass goodbye.
And now it's time to kiss you.

R: Draggin' me...
...It ain't my bitch-a, oh.
No way but down, why you around?
no foolin' yeah.
It ain't my smile, it ain't my style.
It ain't my bitch, no it ain't mine.

*: Ain't mine, your kind,
you're steppin' outta time.
Ain't mine, your kind,
you're steppin' outta time.

R: Draggin' me down
why you around?

No foolin'.
It ain't my fall, it ain't my call,
It my ooh, bitch.
You ain't mine...
