

# Bad Seed

Metallica

Yeah, yeah, yeah, yeah  
Oh bad, yeah, yeah, yeah

Come clean, fix up  
Tell all, spill guts  
Off the veil, stand revealed  
Show the card, bring it on, break the seal

Ladies and gentlemen  
Step right up and see the man who taught the truth

Swing the noose again  
Pierce the apple skin  
You bit more than you need  
Now you're choking on the bad seed  
On the bad seed  
Ah, choking

Yeah, let it on  
Load up, confess, care so  
At the mercy  
Cat is out  
Drop through the sky  
Spit it up  
Spit it out

And now what you've all been waiting for  
I give you he who suffers the truth

Swing the noose again  
Pierce the apple skin  
Yeah, you bit more than you need  
Now you're choking on the bad seed  
Choking on the bad seed  
Yeah

Off the veil, stand revealed  
Bring it on, break the seal  
At the mercy, cat is out  
Spit it up  
Spit it out  
Spit it up  
Spit it out  
Spit it out now

At the mercy

Swing the noose again  
Pierce the apple skin  
You bit more than you need  
Choking on the seed

Swing the noose again  
Pierce the apple skin  
Yeah, you bit more than you need  
Now you're choking on the  
Choking, choking, choking on the bad seed, yeah

Off the veil, stand revealed  
Bring it on, break the seal  
At the mercy, cat is out  
Spit it up  
Spit it out (3x)  
Spit it out now, yeah

Choking on the bad, bad, bad, bad, bad, bad seed
