

# Better Than You

Metallica

Look at you, then you me  
Hungry and thirsty I wait  
Holding the lion's share  
Holding the key  
Holding me back 'cause I'm striving to be

Better than you (better than you)  
Better than you (better than you)

Lock homes I push, and I strive  
Somehow I feel more alive  
Bury the need for it  
Bury the seed  
Bury me deep when there's no will to be

Better than you (better than you)  
Oh Better than you (better than you)

Oh, can't stop this train from rollin'  
Oh, yo, nothing brings me down  
No, can't stop this train from rollin' on and on, on  
No, no, forever on and on

Oh, can't stop this train from rollin'  
Oh, yo, you can't take it down  
No, never stop this locomotion on and on and on  
No, no, you can't bring me down 'cause I'm

Better than you (better than you)  
Better than you (better than you)  
Oh better than you (better than you)  
Better than you (better than you)  
Much better than you

Better than you (better than you)  
Oh better than you (better than you)  
Better than you (better than you)  
Better than, better than, better than  
Better than you  
Yeah

Can't stop this train from rollin'  
Forever on and on and on and on and on  
Forever on and on and on

Better than you  
Yeah  
Haha  
Better than you
