Don't tread on me Say don't tread on me Liberty or death, what we so proudly hail Once you provoke her, rattling of her tail Never begins it, never, but once engaged... Never surrenders, showing the fangs of rage Say don't tread on me So be it Threaten no more To secure peace is to prepare for war So be it Settle the score Touch me again for the words that you'll hear evermore... Don't tread on me Love it or leave it, she with the deadly bite Quick is the blue tongue, forked as the lightning strike Shining with brightness, always on surveillance The eyes, they never close, emblem of vigilance No, no, no, no Say don't tread on me So be it, threaten no more To secure peace is to prepare for war So be it, settle the score Touch me again for the words that you'll hear evermore... Don't tread on me So be it Threaten no more To secure peace is to prepare for war Liberty or death, what we so proudly hail Once you provoke her, rattling of her tail So be it Threaten no more To secure peace is to prepare for war So be it Settle the score

Touch me again for the words that you'll hear evermore...

Don't tread on me
