

Enter Sandman

Metallica

1. Say your prayers, little one
don't forget, my son,
to include everyone

Tuck you in, warm within
keep you free from sin
till the sandman he comes

Sleep with one eye open
gripping your pillow tight

R: Exit: light
Enter: night
take my hand

We're off to never-neverland
something's wrong, shut the light
heavy thoughts tonight
and they aren't of snow white

2. Dreams of war, dreams of liars
dreams of dragon's fire
and of things that will bite

Sleep with one eye open
gripping your pillow tight

R: Exit: light...
We're off to never-neverland

3. Hush little baby, don't say a word
and never mind that noise you heard
it's just the beasts under your bed
in your closet, in your head.

Exit: light
Enter: night
grain of sand
Exit: light
Enter: night
take my hand
We're off to never-neverland
