Eye Of The Beholder

Metallica

Do you see what I see?
 Truth is an offence
 You silence for your confidence

Do you hear what I hear? Doors are slamming shut Limit your imagination, keep you where they must

Do you feel what I feel? Bittering distress Who decides what you express

Do you take what I take? Endurance is the word Moving back instead of forward seems to me absurd

R: Doesn't matter what you see Or into it what you read You can do it your own way If it's done just how I say

Independence limited
Freedom of choice is made for you my friend
Freedom of speech is words that they will bend
Freedom with their exception

3. Do you fear what I fear? Living properly Truths to you are lies to me

Do you choose what I choose? More alternives Energy derives from both the plus and negative

4. Do you need what I need? Boundaries overthrown Look inside to each his own

Do you trust what I trust?
Me, myself and I
Penetrate the smoke screen
I see through the selfish lie

R: Doesn't matter what you see...

5. Do you know what I know? Your money end your wealth Your silence just to hear yourself

Do you want what I want?
Desire not a thing
I hunger after independence
lengthen freedom's ring

R: Doesn't matter what you see...
