

# Harvester Of Sorrow

Metallica

1. My life suffocates  
Planting seeds of hate  
I've loved, turned to hate  
Trapped far beyond my fate

I give  
You take  
This life that I forsake  
Been cheated of my youth  
You turned this lie to truth

R: Anger  
Misery  
You'll suffer unto me  
Harvester of sorrow  
Language of the mad  
Harvester of sorrow

2. Pure black looking clear  
My work is done soon here  
Try getting back to me  
Get back which used to be

Drink up  
Shoot in  
Let the beatings begin  
Distributor of pain  
Your loss becomes my gain

R: Anger...

All have said their prayers  
Invade their nightmares  
See into my eyes  
You'll find where murder lies

Infanticide  
Harvester of sorrow  
Language of the mad  
Harvester of sorrow  
Language of the mad  
Harvester of sorrow
