Holier Than Thou

NO MORE!!! The crap rolls out your mouth again Haven't changed, your brain is still gelatin Little whispers circle around your head Why don't you worry about yourself INSTEAD!!!

Who are you? where ya been? where ya from? Gossip burning on the tip of your tongue You lie so much you believe yourself Judge not l'est ye be judged yourself

Holier than thou You are Holier than thou You are

You know not

Before you judge me take a look at you Can't you find something better to do Point the finger, slow to understand Arrogance and ignorance go hand in hand

It's not you are it's who you know Others lives are the basis of your own Burn your bridges and build them back with wealth Judge not l'est ye be judged yourself

Holier than thou You are Holier than thou You are

You know not

Yeah who the hell are you? Hey yo

Holier than thou You are Holier than thou You are

You know not

NOT!!!
