

1. Don't you leave me Father Time
Take me with you
Tell me does your sun still shine
Come squeeze the world
and drip it down my throat again
Down my throat again... woooah!

R: You got to breathe man, breathe!
Coming up for,
Breathe man, breathe!
Coming up for
Air

2. Touch me so I think I'm here
Skin my senses
Barely breathing
Minus Human
Please squeeze the world
and drip it down my throat again
ooah Down my throat again... woooah!

R: You got to breathe man...

R: You got to breathe man, breathe!
Coming up for,
Breathe man, breathe!
Coming up for!
