Master Of Puppets

End of passion play, crumbling away I'm your source of self-destruction Veins that pump with fear, sucking darkest clear Leading on your death's construction

Taste me you will see More is all you need Dedicated to How I'm killing you

Come crawling faster Obey your master Your life burns faster Obey your master Master

Master of puppets, I'm pulling your strings Twisting your mind and smashing your dreams Blinded by me, you can't see a thing Just call my name 'cause I'll hear you scream Master Just call my name 'cause I'll hear you scream Master Master Master

Needlework the way, never you betray Life of death becoming clearer Pain monopoly, ritual misery Chop your breakfast on a mirror

Taste me you will see More is all you need Dedicated to How I'm killing you

Come crawling faster Obey your master Your life burns faster Obey your master Master

Master of puppets, I'm pulling your strings Twisting your mind and smashing your dreams Blinded by me, you can't see a thing Just call my name 'cause I'll hear you scream Master Just call my name 'cause I'll hear you scream Master Master Master

Master, master Where's the dreams that I've been after? Master, master Promised only lies Laughter, laughter Metallica

All I hear and see is laughter Laughter, laughter Laughing at my cries Fix me Hell is worth all that, natural habitat Just a rhyme without a reason Never-ending maze, drift on numbered days Now your life is out of season I will occupy I will help you die I will run through you Now I rule you too Come crawling faster Obey your master Your life burns faster Obey your master Master Master of puppets, I'm pulling your strings Twisting your mind and smashing your dreams Blinded by me, you can't see a thing Just call my name 'cause I'll hear you scream Master Master Just call my name 'cause I'll hear you scream Master Master
