

# No Remorse

Metallica

No mercy for what we're doing  
No thought to even what we've done  
We don't need to feel the sorrow  
No remorse for the helpless one

War without end

No remorse no repent  
We don't care what it meant  
Another day another death  
Another sorrow another breath  
No remorse no repent  
We don't care what it meant  
Another day another death  
Another sorrow another breath

Blood feeds the war machine  
As it eats its way across the land  
We don't need to feel the sorrow  
No remorse is the one command

War without end

No remorse no repent  
We don't care what it meant  
Another day another death  
Another sorrow another breath  
No remorse no repent  
We don't care what it meant  
Another day another death  
Another sorrow another breath

Only the strong survive  
No will to save the weaker race  
We are ready to kill all comers  
Like a loaded gun right at your face

War without end

No remorse no repent  
We don't care what it meant  
Another day another death  
Another sorrow another breath  
No remorse no repent  
We don't care what it meant  
Another day another death  
Another sorrow another breath

Attack

Bullets are flying  
People are dying  
With madness surrounding all hell's breakin' loose  
Souldiers are hounding  
Bodies are mounting  
Cannings are shouting to take their abuse  
With war machines going

Blood starts to flowing  
No mercy given to anyone here  
The furious fighting  
Swords are like lightning  
It all becomes frightening you  
Know, death is near  
No remorse
