## The Four Horsemen

## Metallica

By the last breath the fourth winds blow Better raise your ears The sound of hooves knock at your door Lock up your wife and children now It's time to wield the blade For now you've got some company

The Horsemen are drawing nearer On leather steeds they ride They've come to take your life On through the dead of night With the Four Horsemen ride Or choose your fate and die

You have been dying since the day you were born You know it's all been planned
The quartet of deliverance rides
A sinner once, a sinner twice
No need for confessions now
'Cause now you've got the fight of your life

The Horsemen are drawing nearer On leather steeds they ride They've come to take your life On through the dead of night With the Four Horsemen ride Or choose your fate and die

Time has taken its toll on you
The lines that crack your face
Famine, your body it has torn through
Withered in every place
Pestilence, for what you had to endure
And what you have put others through
Death, deliverance for you for sure
Now there's nothing you can do

Gather 'round young warriors now
Saddle up your steeds
Killing scores with demon swords
Now is the death of doers of wrong
Swing the judgment hammer down
Safely inside armor, blood, guts and sweat

The Horsemen are drawing nearer On leather steeds they ride They've come to take your life On through the dead of night With the Four Horsemen ride Or choose your fate and die
