

# The Struggle Within

**Metallica**

Reaching out for something you've got to feel  
While clutching to what you had thought was real

Kicking at a dead horse pleases you  
No way of showing your gratitude  
S-s-so many things you don't want to do  
What is it? What have you got to lose

What the hell? What the hell?  
What is that you think you're gonna find?  
Hypocrite, hypocrite  
Boredom sets into the boring mind

Struggle within, it suits you fine  
Struggle within, your ruined  
Struggle within, you seal your own coffin  
Struggle within, the struggling within

Home is not a home it becomes a hell  
Turning it into your prison cell  
Advantages are taken, not handed out  
While you struggle inside your hell

Reaching out, reaching out  
Grabbing for something you've got to feel  
Closing in, closing in  
The pressure upon you is so unreal

Struggle within, it suits you fine  
Struggle within, your ruined  
Struggle within, you seal your own coffin  
Struggle within, struggling within

Struggle  
Don't

Reaching out for something you've got to feel  
While clutching to what you had thought was real

What the hell? What is you think you're gonna find?  
Hypocrite, boredom sets into the boring mind

Struggle within, it suits you fine  
Struggle within, your ruined  
Struggle within, you seal your own coffin  
Struggle within, the struggling within
