Through the Never

Metallica

All that is, was and will be Universe much too big to see

Time and space never ending
Disturbing thoughts, questions pending
Limitations of human understanding
Too quick to criticize
Obligation to survive
We hunger to be alive

All that is, ever Ever was Will be ever Twisting Turning Through the never

In the dark, see past our eyes
Pursuit of truth no matter where it lies

Gazing up to the breeze of the heavens On a quest, meaning, reason Came to be, how it begun All alone in the family of the sun Curiosity teasing everyone On our home, third stone from the sun

All that is, ever Ever was Will be ever Twisting Turning Through the never

On through the never We must go
On through the never Out to the
Edge of forever
We must go
On through the never
Then never comes

All that is, ever
Ever was
Will be ever
Twisting
Turning
Who we are
Ask forever
Twisting
Turning
Turning
Through the never

Never
