## Where The Wild Things Are

So wake up sleepy one It's time to save your world

Steal dreams and give to you Shop lift a thought or two All children touch the sun Burn fingers one by one, by one

Will this earth be good to you? Keep you clean or stain through?

So wake up sleepy one It's time to save your world You're where the wild things are, yeah Toy soldiers off to war

Big eyes to open too Believing now under sun and moon But does heaven know you're here? And did they give you smiles or tears? No, no tears

Will this earth be good to you? Keep you clean or stain through?

So wake up sleepy one It's time to save your world You're where the wild things are, yeah Toy soldiers off to war

You swing your ass all down Call to arms, a trumpet's sound Toy horses start the charge Robots, chessmen standing guard We shall never surrender

All you children touch the sun Burn your fingers one by one

Will this earth be good to you? Keep you clean or stain through?

So wake up sleepy one It's time to save your world You're where the wild things are, yeah Toy soldiers off to war Off to war, off to war

So close your little eyes
