Metric

I fought the war  
I fought the war  
I fought the war  
But the war won't stop for the love of God

I fought the war  
I fought the war  
But the war won't stop for the love of God

I fought the war  
I fought the war  
But the war won't stop for the love of God

I fought the war  
I fought the war  
But the war won't stop for the love of God

I fought the war  
I fought the war  
But the war won't stop for the love of God

I fought the war  
I fought the war  
But the war won

You hold my hands down, I've been bad.  
You hold my arms down, I've been bad.  
I've been bad, I've been bad.
