Falling for the creep the body leech here he comes
Vicious hypnosis, a clenched fist saying it's wrong
To want more than a folk song
Underneath the shaker knit he's a brick wall
She keep falling for the creep
The body leech coming on
Vicious hypnosis, clenched fist saying
It's wrong to want more than a folk song
I'm wrong to want more than a folk song
I'm wrong to want more than a folk song
Underneath the shaker knit he's a brick wall
She keep falling for the trick vegetariate sing-along
Give a little kick with your fine thigh high
