

Every Time I Touch You

Metro Station

Can't keep my hands to myself
Can't keep my eyes off you
Let's let this soft rock now
Take this the whole night through
Give it one minute more
Let's take it somewhere else
Girl, I don't mean to push, but I can't help myself

So let's turn it up (turn it up)
So I can turn you on

Because every time I touch you, oh oh
I gotta get your body-ody sore
And every time I touch you, oh oh
Girl, you know I'll never let you go
Never gonna stop, Imma make you rock
C'mon, let it drop, Imma make it pop
Because every time I touch you, oh oh
Every time I touch, touch you
Let me I touch, touch you, oh

I got that one-track mind
I move too fast, go slow
I'll take it down, down, down
Until you're begging for more

I know just what you need
So let me give it to you
C'mon give it up
I know you want this too

So let's turn it up (turn it up)
So I can turn you on

Because every time I touch you, oh oh
I gotta get your body-ody sore
And every time I touch you, oh oh
Girl, you know I'll never let you go
Never gonna stop, Imma make you rock
C'mon, let it drop, Imma make it pop
Because every time I touch you, oh oh
Every time I touch, touch you
Let me I touch, touch you, oh

Tell me where to take this
Where are we gonna go?
Let's change tonight together
You'll never be alone

Because every time I touch you, oh oh
I gotta get your body-ody sore
And every time I touch you, oh oh
Girl, you know I'll never let you go
Never gonna stop, Imma make you rock
C'mon, let it drop, Imma make it pop
Because every time I touch you, oh oh
Every time I touch, touch you

Let me I touch, touch you, oh
