Never wanted, never needed You said, honey, best be leaving If you want, I'll pack a bag Foreign money in your hand In your hand baby

Tube of tooth paste, facial cleanser, Bar of soap and moisturizer

But it gets better But it gets better

Never wanted, never needed You said, honey, how you feeling? Hotel pillows, worth a try If you want me, swing on by Swing on by baby

Mini bar with many choices, Bedside table, distant voices

But it gets better But it gets better

Does it get better?
Does it get better?
Does it get better?

Never wanted, never needed You said honey, best be leaving If you want, I'll pack a bag Foreign money in your hand In your hand baby
