

# Chasing Pavements

MGK

Cleveland music!

"I made up my mind  
Don't need to think it over  
If I'm wrong or I'm right  
Don't need to look no further  
This ain't love...  
Should I give up?  
It leads no where  
Even if I do nothing - should I leave today?  
Should I give up?  
Should I keep on chasing pavements?"

Fall asleep until the dream comes  
Motherf-ck reality  
Happiness - I think I need some  
So I overdose on fantasy  
My life's euqation ain't complicated  
Just a combination of hate is denominated as stated  
No rest plus the cess and abuse to prescription meds  
Times stressed equals out to be the motherf-cking mess that is... Kellz  
A boy with no home  
That's why you hearing the speakers through this song  
Turn it up so loud the bass hits and  
You can feel me when I'm gone  
When I die, spread my message like the Qu'ran  
Motherf-ckas gettin paid, I'm just tryna get saved  
7 years of living crooked, I'm just tryna get straight

All the crack in my city even though these streets paved  
Makes me wonder: should I let my life dreams wait?  
Or should I:

Bored out of my mind: I need a f-ckin job  
They ain't hiring shit, that's why I f-ckin rob  
Had to hustle cause unless you got them test scores  
Colleges only come around here looking for Brett Favre  
The next star, or if you 6'4''  
And if you can pitch, but other than that you pitch raw  
That's what I'm pissed for  
Cause if you ain't worth a couple of dollars  
These scholars is looking at you like "what do we need him for?"  
I'm saying: just because I ain't Kareem  
You tellin me I should give up on my dream?  
You telling me I ain't shit cause I ain't working for degrees? Or on a team?  
This country's flag is a joke  
That shit should be painted green  
Tell me when is currency valued over a human being?  
When we stand for nothing, we falling for anything  
EST for life and that's exactly what I'll scream  
Misunderstood until they answer one thing
