

## Hold On

Michael Bublé

Didn't they always say we were the lucky ones.  
I guess that we were once, babe, we were once,  
but luck will leave you cursed, it is a faithless friend,  
and in the end, when life has got you down,  
you've got someone here that you can wrap your arms around.

So hold on to me tight,  
hold on to me tonight.  
We are stronger here together,  
than we could ever be alone.  
So hold on to me,  
don't you ever let me go.

There's a thousand ways for things to fall apart,  
but it's no one's fault, no it's not my fault.  
Maybe all the plans we made might not work out,  
but I have no doubt, even though it's hard to see.  
I've got faith in us, and I believe in you and me.

So hold on to me tight.  
Hold on, I promise it will be alright.  
Cuz it's you and me together,  
and baby all we've got is time.  
So hold on to me,  
hold on to me tonight.

There's so many dreams that we have given up.  
Take a look at all we've got,  
and with this kind of love,  
and what we've got here is enough.

So hold on to me tight.  
Hold on, I promise it will be alright.  
Cuz we are stronger here together,  
than we could ever be alone.  
Just hold on to me,  
don't you ever let me go.  
Hold on to me, it's gonna be alright.  
Hold on to me tonight.

They always say, we were the lucky ones.
