

# Bomb The World

Michael Franti & Spearhead

Please tell me the reason  
Behind the colors that you fly  
Love just one nation  
And the whole world we divide  
You say you're 'sorry'  
Say, 'there is no other choice'  
But god bless the people them  
Who cannot raise their voice

We can chase down all our enemies  
Bring them to their knees  
We can bomb the world to pieces  
But we can't bomb it into peace  
Whoa we may even find a solution  
To hunger and disease  
We can bomb the world to pieces  
But we can't bomb it into peace

Violence brings one thing  
More more of the same  
Military madness  
The smell of flesh and burning pain  
So I sing out to the masses  
Stand up if you're still sane!  
To all of us gone crazy  
I sing this one refrain

And I sing power to the peaceful  
Love to the people y'all  
Power to the peaceful  
Love to the people y'all
