

# Crazy, Crazy, Crazy

Michael Franti & Spearhead

Shine on  
All my people who've been broken hearted  
Shine on  
From the place where all life had been started  
When you need fresh air  
Go beyond horizons  
To your place in the sun  
Shine on  
Let your heart be boundless  
Like your faith in the one.

It's crazy, crazy, crazy  
Don't tell me that you don't care  
It's crazy, crazy, crazy  
No stopping to this warfare  
It's crazy, crazy, crazy  
We're breathing in the same air  
It's crazy, crazy, crazy  
Don't tell me that you don't care  
You don't care  
No stopping to this warfare  
And you don't care  
No

Sing on  
From the language of your ancestors and  
Sing on  
Be playful in your innocence and  
Lift your head up high  
And rejoice for all you see  
Without your eyes  
Sing on  
Like a bird that's making love in sunset skies

It's crazy, crazy, crazy  
Don't tell me that you don't care  
It's crazy, crazy, crazy  
No stopping to this warfare  
It's crazy, crazy, crazy  
We're breathing in the same air  
It's crazy, crazy, crazy  
Don't tell me that you don't care

No life's worth more than any other  
No sister worth less than any brother  
No life's worth more than any other  
No sister worth less than any brother  
No life's worth more than any other  
No sister worth less than any brother  
No life's worth more than any other  
No sister worth less than any brother

It's crazy, crazy, crazy  
Don't tell me that you don't care  
It's crazy, crazy, crazy  
No stopping to this warfare  
It's crazy, crazy, crazy

We're breathing in the same air  
It's crazy, crazy, crazy  
Don't tell me that you don't care  
You don't care  
No stopping to this warfare  
You don't care
