Michael Franti & Spearhead

I dont need a passport To walk on this earth, Anywhere I go cause I was made of this earth Im born of this earth, I breath of this earth, And even with the pain I believe in this earth, So I wake Up every mornin and Im steppin on the floor, I wake up every mornin and Im stepping out the door I got faith in the sky, Faith in the one, Faith in the people rockin underneath the sun Cause every bit of land is a holy land and Every drop of water is a holy water and Every single child is a son or a daughter of the one Earth mama and the one Earth papa, So Dont tell a man that he cant come here cause he got brown eyes and a wavy ki nd of hair, And Dont tell a woman that she cant go there because she prays a little differen t to a God up there You say youre a Christian Cause God made you You say youre a Muslim Cause god made you You say youre a Hindu and the next man a Jew Then we all kill each other Cause God told us to NAH! -Hello, hello! -Bonjour, bonjour! -Hola, hola! -Konnichiwa, konnichiwa wa!
