

I'll Be Waiting

Michael Franti & Spearhead

The best things in life are things
To live in, to breathe in
The best things in life are things
That something you can believe in

Do you believe me?
Do you believe me when I say
Tonight won't last for long?
And soon it will be gone

But I won't leave you alone, no, no
Whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you

The best things in life are things
The laughing and crying
The best things in life are things
The frightened, they're still fighting

Do you believe me?
Do you believe me, yeah, when I say
Tonight won't last for long?
Soon it will be gone

But I won't leave you alone, no, no
Whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you

You said that you were leaving
But it's alright, it's alright
You said sorry
But it's alright, yes, it's alright

The best things in life are things
Broken and bleeding
The best things in life are things
They're chosen to believe in

So whenever you call me, whenever you need me
Wherever you wander until you see me
I'll be waiting, I'll be waiting for you
For you, for you, for you

And I say, eeoh, eeoh, eeoh, eeoh
Eeoh, eeoh, eeoh, eeoh
Eeoh, eeoh, eeoh, eeoh, eeoh

I say it's alright, it's alright
It's alright, it's gonna be alright now
