Stay Human (All The Freaky People)

Michael Franti & Spearhead

Starvation is the creation of the devil, a rebel I'm bringin' food to the people like a widow Bringin' flowers to a grave in the middle Of the city isolation is a riddle
To be surrounded by a million other people But to feel alone like a tree in a desert Dried up like the skin of a lizard But full of colour like the spots of a leopard Drum and bass pull me in like a shepherd Scratch my itch like a needle on a record Full of life like a man gone to Mecca Sky high like an eagle up soaring I speak low but I'm like a lion roaring Baritone like a Robeson recordin' I'm givin' thanks for bein' human every morning

Because the streets are alive with the sound of Boom Bap Can I hear it once again
Boom Bap tell your neighbour tell afriend
Every box gotta right to be bomin'
Because the streets are alive with the sound of Boom Bap Can I hear it once again
Boom Bap tell your neighbour tell a friend
Every flower got a right to be boomin'

Be resistant

The negativity we keep it at a distance
Call for backup and I'll give you some assistance
Like a lifesaver deep in the ocean
Stay afloat here upon the funky motion
Rock and roll upon the waves of the season
Hold your breath and your underwater breathin'

To be rhymin' without a real reason
Is to claim but not to practice a religon
If television is the drug of the nation
Satellite is immaculate reception
Beaming in they can look and they can listen
So you see don't believe in the system
To legalize you or give you your freedom
You want rights ask em', they'll read em'
But every flower got a right to be bloomin'
Stay human

All the freaky people make the beauty of the world

You see Y2K ya know is a moment
In time we find that we can open
Up a heart that's locked or been broken
By the pain of words not spoken
Or shot by guns a still smokin'
Cartwrights out on the Ponderosa
Or drive by bang in Testarossa
We need to heed the words of Dalai Lama
Or at least the words of yo mama
Take a mental trip to the Bahamas
