

Love & Hate

Michael Kiwanuka

Standing now
Calling all the people here to see the show
Calling for my demons now to let me go
I need something, give me something wonderful

I believe
She won't take me somewhere I'm not supposed to be
You can't steal the things that god has given me
No more pain and no more shame and misery

You can't take me down
You can't break me down
You can't take me down

You can't take me down
You can't break me down
You can't take me down

Love and hate
How much more are we supposed to tolerate
Can't you see there's more to me than my mistakes
Sometimes I get this feeling - makes me hesitate

I believe
She won't take me somewhere I'm not supposed to be
You can't steal the things that god has given me
No more pain and no more shame and misery

You can't take me down
You can't break me down
You can't break me down

You can't take me down
You can't break me down
You can't take me down

I can see the place of trouble
And I'm on the verge (?)
For the love of everybody
I need something more (?)

Now I feel some days of trouble
I'm in a house of wall (?)
For the love of everybody
But behind a wall

Standing now
Calling all the people here to see the show
Calling all my demons now to let me go
I need something to give me something wonderful
