If That's What It Takes

Michael McDonald

How do I please you Girl, in your one way heart In your one track mind How do I please you How do I please you

Oh, when I say that you're the only one I'm not tryin' to fool you, baby Well, I'm only here to get the job done 'Cause you're so used to getting what you want Well, look no further, baby

If that's what it takes I don't need to know anymore Ain't no doubt about it That's what I came here for

So how do I please you How do I please you Girl, in your one way heart In your one track mind How do I please you How do I please you

Well, I don't know much about the life you lead But it ain't enough just to offer my heart Girl, I know I could get you what you need 'Cause you're so use to getting what you want Well, look no further, baby

If that's what it takes I don't need to know anymore Ain't no doubt about it That's what I came here for

If that's what it takes I ain't gonna lose any time Whatever you want from me, baby Whatever it takes to make you mine
