Taken By A Stranger

Michael Schulte

She's got knuckle in her eye He knows her Cat coal She can't escape from telling lies I heard her sayin'

Hey, mind if I take this chair? Hey, mind if I take this chair?

He drops a puss
She looks annoyed
But he's so mean
He thinks she has to be the one

Taken by a stranger Stranger things are starting to begin Turn into the danger Trip me up and spin me round again

You've got some coffee on your collar And you forgot to comb your hair I can't wait till I do better Your hair And I don't care

Help it if you like it 'cause I won't be it tomorrow None ever told you that you wouldn't be taken

Taken by a stranger Stranger things are starting to begin Turn into the danger (it's a risky business) Trip me up and spin me round again

Ba da da lada dada

Oohoohooo

La la la la

Put the blindfold on his eyes He saw her pic through Can't imagine her disguise I heard her sayin'

Hey, mind if I take this chair? Yeah, see if I care

Taken by a stranger Stranger things are starting to begin Turn into the danger (it's a risky business) Trip me up and spin me round again
