

# Help Is On the Way

Michael W. Smith

People say that time will heal  
But you know, they just don't feel what you feel  
Times are hard but God is so good  
He's never failed you, and He said He never would

He see's your tears  
He fights your fears

Hold on, help is on the way  
He said he'd never leave you or forsake you  
Stay strong  
Help is on the way  
He'd said he'd help you  
Just reach out and take his hand

He knows your heart, He lifts your head  
He's always close enough to hear every word you said  
When you're weak, He said He's so much more  
His arm is long enough to reach you where you are

He see's your tears  
He fights your fears

Hold on, help is on the way  
He said he'd never leave you or forsake you  
Stay strong  
Help is on the way  
He'd said he'd help you  
Just reach out and take his hand

Hold on, help is on the way  
He said he'd never leave you or forsake you  
Stay strong  
Help is on the way  
He'd said he'd help you  
Just reach out and take his hand

Help is on the way 10x

Hold on, help is on the way  
He said he'd never leave you or forsake you  
Stay strong  
Help is on the way  
He'd said he'd help you  
Just reach out and take his hand
