

# I Lay Me Down

Michael W. Smith

I have found here  
Love and mercy  
From an infinite supply  
I have found here  
Living water  
From a well that won't run dry

At Your feet  
I bow in wonder  
At Your feet  
I place my crowns  
Let surrender be the only sound  
At Your feet  
I lay me down

Fear and failure  
Pride and hatred  
You see all I've tried to hide  
But sweet mercy  
Has embraced me  
Wrath has turned to life divine

At Your feet  
I bow in wonder  
At Your feet  
I place my crowns  
Let surrender be the only sound  
At Your feet  
I lay me down

Into my emptiness  
You speak life and give me breath  
I lay me down  
Undone by holiness  
Take my all and nothing less  
I lay me down

At Your feet  
I bow in wonder  
At Your feet  
I place my crowns  
Let surrender be the only sound  
At Your feet  
I lay me down  
At Your feet  
I lay me down
