

I Will Be Here for You

Michael W. Smith

When you feel the sunlight
Fade into the cold night
Don't know where to turn
I don't know where to turn
And all the dreams you're dreaming
Seem to lose their meaning
Let me in your world
Baby, let me in your world
All you need is someone you can hold
Don't be sad, you're not alone

I will be here for you
Somewhere in the night
Somewhere in the night
I'll shine a light for you
Somewhere in the night
I'll be standing by
I will be here for you

In this world of strangers
Of cold, unfriendly faces
Someone you can trust
Oh there's someone you can trust
I will be your shelter
I'll give you my shoulder
Just reach out for my love
Reach out for my love
Call my name and my heart will hear you
I will be there, there's nothing to fear

I will be here for you
Somewhere in the night
Somewhere in the night
I'll shine a light for you
Somewhere in the night
I'll be standing by
I will be here for you

I will be here for you
Somewhere in the night
Somewhere in the night
I'll shine a light for you
Somewhere in the night
I'll be standing by
I will be here for you
