

## Live Forever

Michael W. Smith

You painted me a picture of tomorrow  
A place where you and I walked hand in hand  
A world without despair and without shadows  
But things just didn't turn out how we'd planned  
Now you're gone

And I believe that there is somewhere  
Where the angels fill the sky  
And I believe we'll live forever  
You and I, you and I, will never die

I wonder if you knew that you were leaving  
I thought that I saw something in your eyes  
You painted me a picture of believing  
I'll see you there on the other side  
And I'll be there, yes I will

I believe that there is somewhere  
Where the angels fill the sky  
And I believe we'll live forever  
You and I, you and I, will never die

You and I, will never die  
You and I, will never die  
We'll live forever, we'll live forever

Oh, I believe that there is somewhere  
Where the angels fill the sky  
And I believe, yes I do, we'll live forever  
You and I, you and I, will never die

Will never die, will never die  
We'll live forever, I believe, we'll live forever  
I believe I will live forever, will live forever
