Some people quietly reveal in the manner of the meek, yeah
Some people shout the way they feel to a radical degree
Some people sing it to express while others hear another call
Some people speak with subtleness, some don't rely on words at all
But let me tell you 'bout

One thing I know
Everybody's got a seed to sow
Let your heart of hearts
Take me down the road
Everybody's got a seed to sow

We all are pieces of the whole
With different feelings to evoke
Giving distinction to the role
Different players, different strokes
But let me tell you 'bout

One thing I know
Everybody's got a seed to sow
Let your heart of hearts
Take me down the road
Everybody's got a seed to sow

Well some people walk, some people race
Some people vary in their pace
But God can use what you can give
Within the mystery of His ways
Don't underestimate

One thing I know
Everybody's got a seed to sow
Let your heart of hearts
Take you down the road
Everybody's got a seed to sow

One thing I know
Everybody's got a seed to sow
Let your heart of hearts
Take you down the road
Everybody's got a seed to sow

One thing I know
Everybody's got a seed to sow
Let your heart of hearts
Take you down the road
Everybody's got a seed to sow
Everybody's got a seed to sow
Everybody's got a seed to sow
