I wait for Kingdom come
When love will be here to stay
It will change us everyone
Someday, someday

Violence in the movies

Rioting and looting
With the boys in the hood

I wait for Kingdom come
When love will be here to stay
It will change us everyone
Someday, someday
There peace will make a stand
and the anger will fall away
We'll see the lion with the lamb
Someday, someday, someday

I wait for Kingdom come

Someday, someday
There peace will make a stand
