

Find Your Way Back

Michelle Branch

I used to get away with so much
Now I can't get away
I even thought that it was simple
to say the things I wanted to say
and you told me everything I wanted to hear
and you sold me
now I don't know how I should feel
I should know me
and baby, you would think I knew better
I'm finding my way back to you
and everything I used to be
and waiting is all that I can do
until you find your way back to me
what if I said what I was thinking
What if that says too much
When everybody's got a reason
I feel like giving up
and you told me
everything I wanted to hear
and you sold me
now I don't know how I should feel
I should know me
and baby,
you would think I knew better
I'm finding my way back to you
and everything I used to be
and waiting is all that I can do
Until you find your way back to me
Until you find your way back to me
Until you find your way back to me
I used to get away with so much
I'm finding my way back to you
and everything I used to be
and waiting is all that I can do
until you find your way back to me
and waiting is all that I can do
until you find your way back to me
I used to get away with so much
